TEL: (02) 5317621 5317533-4
TELEX 10141 "YILUTGTO"
MANUFACTURER:
YIH LUNG ENTERPRISES CO., LTD.

HOW TO PLAY

1. Mighty Monkey can shoot all kinds of animal by bullet, but is dead met with flame and flying and standstill animal.
2. Mighty Monkey can be transformed to dragon as your wish, and dragon can eat flame, but is dead met with flying and standstill animal.
3. You get 100 scores whenever Mighty Monkey hit one flying animal or dragon eat one flame. But if Mighty Monkey hit one standstill animal, you can only get 50 scores. If bullet hit the flame, you get no score.
4. When your score over 30,000, you have one extra Mighty Monkey, After that you have another bonus, whenever your score over 100,000 every time.
5. There is a highest score on screen, and you can book your name on screen as championship when your score over it
